

Teacher Wish Lists, March 2012

Dear Ridgewood Families:

We are once again asking for your help in providing the items requested by our children's teachers. Per Kent School District rules, teachers can only specifically ask for a certain amount of supplies and no community use items (like Kleenex, and wipes). If your teachers are not listed, please feel free to ask if they need anything; they can't ask you directly per district rules. The lists will be updated as needs arise. We appreciate all our teachers do for our children and they appreciate any help that you can provide

If you have any questions, please contact Michele Hoiland at mmhoiland@comcast.net or 425 917-2497. Thank you!
